The Problem

Bulky & Space-Consuming
Takes Up Valuable Floor Space

X Blocks Walkways

CLEAN AIR SHOULD BE FELT,
NOT IN THE WAY.

Our Solution

Ultra-Slim & Wall-Mounted
Designed to Blend, Not Block

TAKES UP

0% FLOOR SPACE

Designed to Blend into Your Space

TRADITIONAL AIR PURIFIERS

- X Occupy valuable floor space
- X Create trip hazards
- X Look like appliances
- X Difficult to integrate
- X Require more maintenance
- X Interrupt the design of your space

VS.

FLAT™ WALL-MOUNTED AIR PURIFIER

- ✓ Frees up 100% of floor space
- ✓ Eliminates trip hazards
- ✓ Looks like art, not an appliance
- ✓ Integrates into premium interiors
- ✓ Long-life filter, less maintenance
- ✓ Enhances the atmosphere of any space

DESIGNED TO DISAPPEAR. ENGINEERED TO PERFORM.

We believe clean air shouldn't come at the expense of your space. That's why we created FLAT™, the world's thinnest picture frame air purifier that delivers powerful performance while blending beautifully into any interior.

ONE PLATFORM. FOUR LEVELS OF PERFORMANCE.
